Other Needs

- ★ Gift Certificates - These are given to volunteers when they have made specific plans for an activity with their appointed child at a book store, movie theater, fast food restaurant, etc. We use the gift certificates to pay for the child's cost involved in participating in that activity.
- ★ New duffel bags, suitcases, etc. - Children in foster care often carry everything they own from house to house in a black garbage bag. These children are NOT trash and neither are their belongings (sparse though they may be.) One CASA wish is to be able to collect new duffel bags, suitcases, etc. that a child can have for their own.

Office Needs

- ★ Copy paper
- ★ Awards and gift certificates for CASA Volunteer appreciation gifts
